

History Curriculum Overview

“Learning, loving and growing; together as God’s children.”

Our Approach

Our **cyclical** curriculum focuses on the 5 aspects below and our pupils revisit the **substantive** and **disciplinary** concepts throughout their time in our school. Each time they revisit an aspect, it is with **increasing complexity** to build on their **prior knowledge**. A range of **significant people** have been identified for pupils to study in each year group to build up their understanding of their impact and influence on society and different periods of history. Each year group has **3 taught units** that are taught as a half termly block with **an hour** each week. Each topic has its own **knowledge organiser**. All **British history** units are taught in chronological order.
