

**past**

← **Now**

Events that have already happened.

**present**

→ **Now**

Events that are happening now.

**beyond living memory**

**100** ←

years ago

**source**

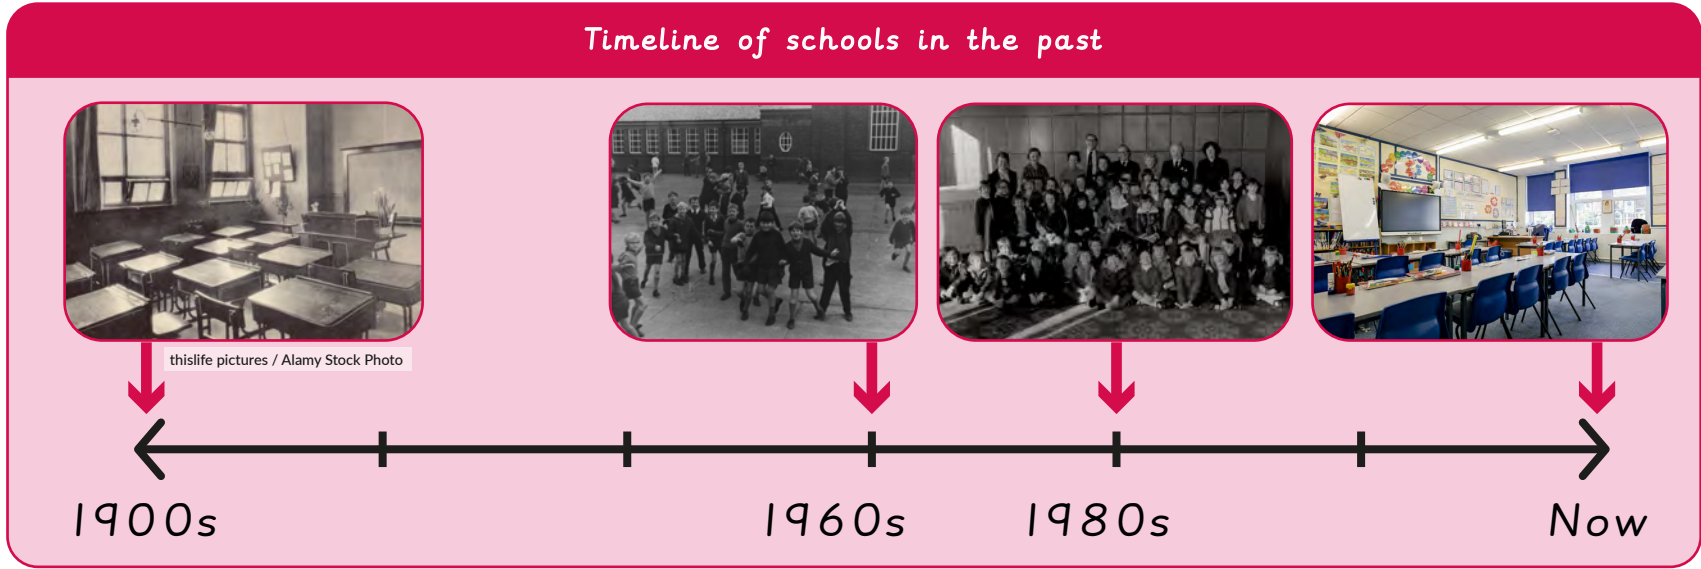

Something that gives us information about the past.

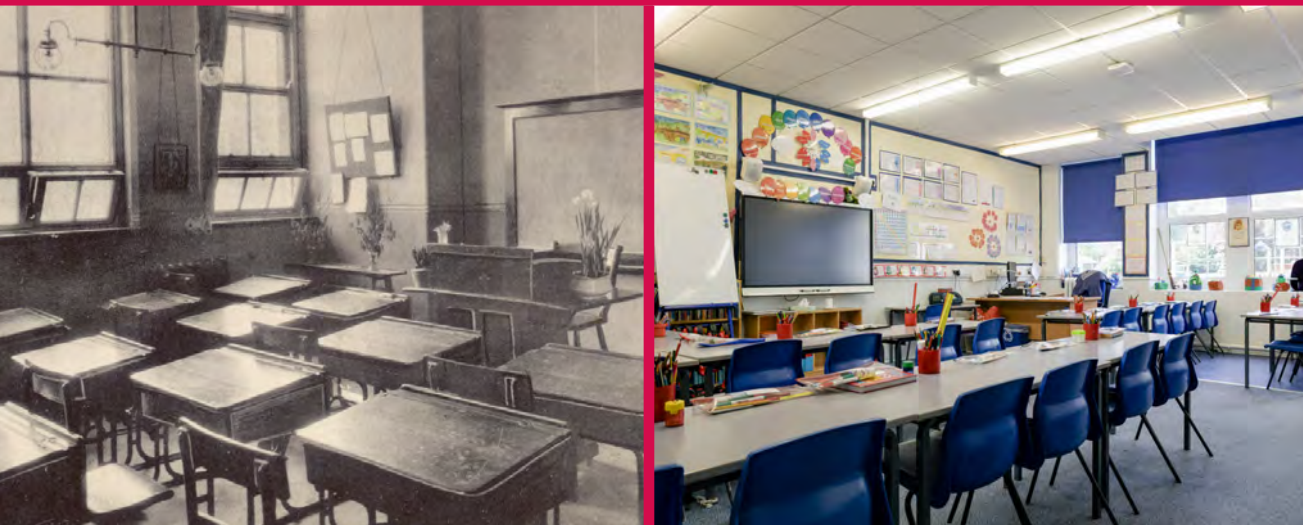

**evidence**

The information historians take from sources.

### What is the same?

Two side-by-side photographs of classrooms. The left one is from the 1900s, showing rows of wooden desks and a blackboard. The right one is from 'Now', showing a modern classroom with blue chairs, tables, and a whiteboard.

**1900s**                      **Now**

### What is different?
