

5th November 2025

Dear Nursery, Reception and Year 1 Parents and Carers,

We are excited to inform you that as part of our learning on woodland creatures we have arranged an exciting visit from Curious Critters. The visit will take place on **Wednesday 19th November at 9.10am**.

During the visit, the children will have the opportunity to observe and learn about a variety of creatures up close, including hedgehogs, owls, snakes and millipedes. This unique encounter will support their understanding of the habitats they call home, giving them real-life context to enhance their learning and curiosity.

To help cover the cost of this enriching experience, we kindly ask for a voluntary contribution of **£6**. Please send this contribution by **Monday 17th November**, on School Money. If you are having trouble, as always, do not hesitate to contact me.

If your child attends Nursery in the afternoon only, they are welcome to attend but a parent or carer will need to accompany them for the visit.

Thank you for your support in making this valuable learning opportunity possible. If you have any questions or concerns, please feel free to reach out.

Warm regards,

Mrs Garside
