

20th May 2026

Dear Parents & Carers,

We are so excited to share that our Year 5 children will be taking part in a very special St Stephen's BIG Camp Day on Friday 19th June 2026!

This full-day, outdoor * NO COST * enrichment experience has been carefully planned to give the children a truly memorable day filled with adventure, teamwork and fun. Throughout the day, children will work in small teams, building friendships and developing confidence as they take part in a range of exciting activities across the school grounds.

The children will rotate through a variety of hands-on experiences, including:

-  Orienteering – navigating using maps and clues like real explorers
-  Team building challenges – developing communication, trust and leadership
-  Campfire experiences – sharing stories, songs and even toasting marshmallows!
-  Nature crafts & reflection – creating art from natural materials
-  Shelter building – working together to design and build their own shelters

At the heart of the day is our commitment to developing the whole child. Big Camp Day is about so much more than fun (although there will be plenty of that!) – it is designed to build resilience, teamwork, independence and a real sense of belonging. Children will finish the day reflecting on what they've learned, what they're proud of and the friendships they've strengthened. We are also delighted to be working alongside our St Stephen's Scout leaders, who will help to bring a truly authentic outdoor adventure experience to life. This promises to be a fantastic day that your child will remember for years to come.

Further details about what children will need to bring will follow shortly.

If you have any questions, please do not hesitate to contact myself or a member of the Year 5 team.

Mrs S J Denney
Headteacher
